May 2, 1974

Suzy,

We have had some good times this year. I'll never forget hanging your underwear on the wall, stealing your sheets and doing all those mean things to you. Just remember it was all in fun and we wouldn't do it if we did not love you. Be good and good luck

Lots of Love,
Lydia Rhodes

Suzy,
We have really had some fun this year. You've really been a gas too. I hope I see you again and you'll be married to Bob. Have a happy life.

Love always,
Rosie

ADMINISTRATION
and
FACULTY

R. D. McLendon
President

The steady growth of NWJC since 1958, when R. D. McLendon became president, has shown him to be a leader in the junior college movement. Last September, when he made announcement of his retirement, to be effective in July of this year, he said, "Mrs. McLendon and I will leave a lot of memories. I've seen Northwest grow and prosper in the last 21 years, and I must say I am proud." The McLendon contributions will remain indelibly with the college: the beauty of the NWJC landscape — maintained under Mrs. McLendon's direction — the physical plant which has grown to multi-million-dollar dimensions, and the increase in staff, faculty, and student body.

Homecoming 1973

Queen Janet reigned, the student body cheered and the Rangers ruled the football field on October 20th — Homecoming Day, 1973. The announcement of the homecoming queen at 2:30 p.m., in the Northwest Auditorium kicked off the triumphant annual celebration of fun, food and football that ended several hours later in the final refrains of the Union Ballroom dance. In between times, the midway bustled with the excitement of games and the happy but noisy renewal of old acquaintances. The annual alumni banquet and meeting followed a faculty art exhibition and a tour of the facilities of the new registered nursing program. Bands and marching units provided pre-game and halftime pageantry, and the Ranger football team left the field 14-7 victors over the Copiah-Lincoln Wolves. In a familiar but changing scene, "Moving On" was the theme . . . and the mood.

Rangers Return in 1973; Notch Best Record Since '67

The pre-season promise of the 1973 Ranger football team was almost fulfilled under head coach Ken Bramlett as the team posted the best record of any Ranger squad since 1967. The first three games of the season fanned first place hopes as the Rangers downed Jones 14-0, East Central 20-7 and Itawamba 48-21. The 19-7 loss to Hinds stunned the campus which had begun to buzz and boast about the promising Northwest football team.

The Rangers bounced back to shut out Northeast 12-0, and carried a 4-1 record into the East Mississippi game. That game which was East Mississippi's homecoming contest was a hard loss for the Rangers who were defeated 27-21. The Rangers recovered from that loss by winning their own homecoming game with Copiah-Lincoln 14-7.

The Rangers lost two of their remaining three games by one point each. A 14-13 loss to Mississippi Delta was followed by a 14-0 win over Holmes. The die-hard Rangers ended the season in Poplarville, losing to nationally-ranked Pearl River 7-6, as the Rangers tried for a two-point conversion and a win rather than settling for a tie.

The season was exciting, and a bounce or two of the ball could have improved the 6-4 record. But the many outstanding individual performances which sparked the team were topnotch. Northwest tied East Mississippi in the North Division in sophomore standouts as both teams sent four players to the Mississippi Junior College All-Star Classic in Tupelo. From Northwest, Roger Redding of Olive Branch, Larry Hearon and Roger Washington, both of Webb, and Walter Denton of Oxford led the North Division All-Stars in a 31-13 romp over the South Division. Denton was named the game's Most Outstanding Offensive Player.

Rangers Make Good in '74

The Northwest Ranger basketball squad wound up their 1973-1974 regular season with two losses and one of the poorest showings in several years.

The Rangers had a strong showing in the first half of their season and ended first semester play with a respectable 7-3 overall record. The Rangers were tied for top honors in the North Division with a 5-1 conference worksheet. It looked like head coach Noal Akins had his group off and running.

The second half of the season proved too much for the inexperienced Rangers. Akins, starting the year out with only three returning players with playing time, lost one of those to academic standards. Albert Beard left a gap at the guard position that was never quite filled.

Northwest dropped their first three games to begin the second half of their season. All three were conference battles and the Rangers could never regroup the conference muscle. Those three losses left the Ranger record at 7-6, but more important, it dropped the Northwest conference mark to 5-4.

But the Rangers came right back. They won their next four games, three of which were against North Division foes. The other win in that series was possibly Northwest's biggest of the year. They dropped perennial powerhouse, Phillips County JC 99-79 to avenge an early season loss to that same group.

With only two games remaining on their schedule (both conference match-ups) Northwest had a shot at the number two spot in the North Division. They ran into trouble on the road, dropping an overtime bout with Itawamba. But the Rangers still had a shot at finishing no lower than third place.

Only two nights later the roof fell in on Northwest. For the second straight contest, the Rangers lost an overtime thriller. This time it was to Mississippi Delta JC and this time it was at home in Northwest's own gym. Delta was the only team that downed Northwest twice this season.

So the Northwest Rangers, who had become a Northwest powerhouse in recent years, had what some considered a disappointing season. But let's take another look.

Ranger head coach Noal Akins finished the year with a respectable 11-8 record. He did it with an inexperienced team that was shorter and younger than the majority of the teams they faced.

Noal Akins and all the Ranger basketball squad should be congratulated for an above-average season in one of the toughest leagues in basketball . . . the MJCC.

Will the Rangers be back next year? We think so. Akins will have three of his starting five plus a healthy bench to work with. Those players will have gained valuable experience that only playing can yield. And they did it without losing face. After all, 11-8 is hardly a record to be ashamed of. Look for the Ranger basketball squad to be at the top in 1975!

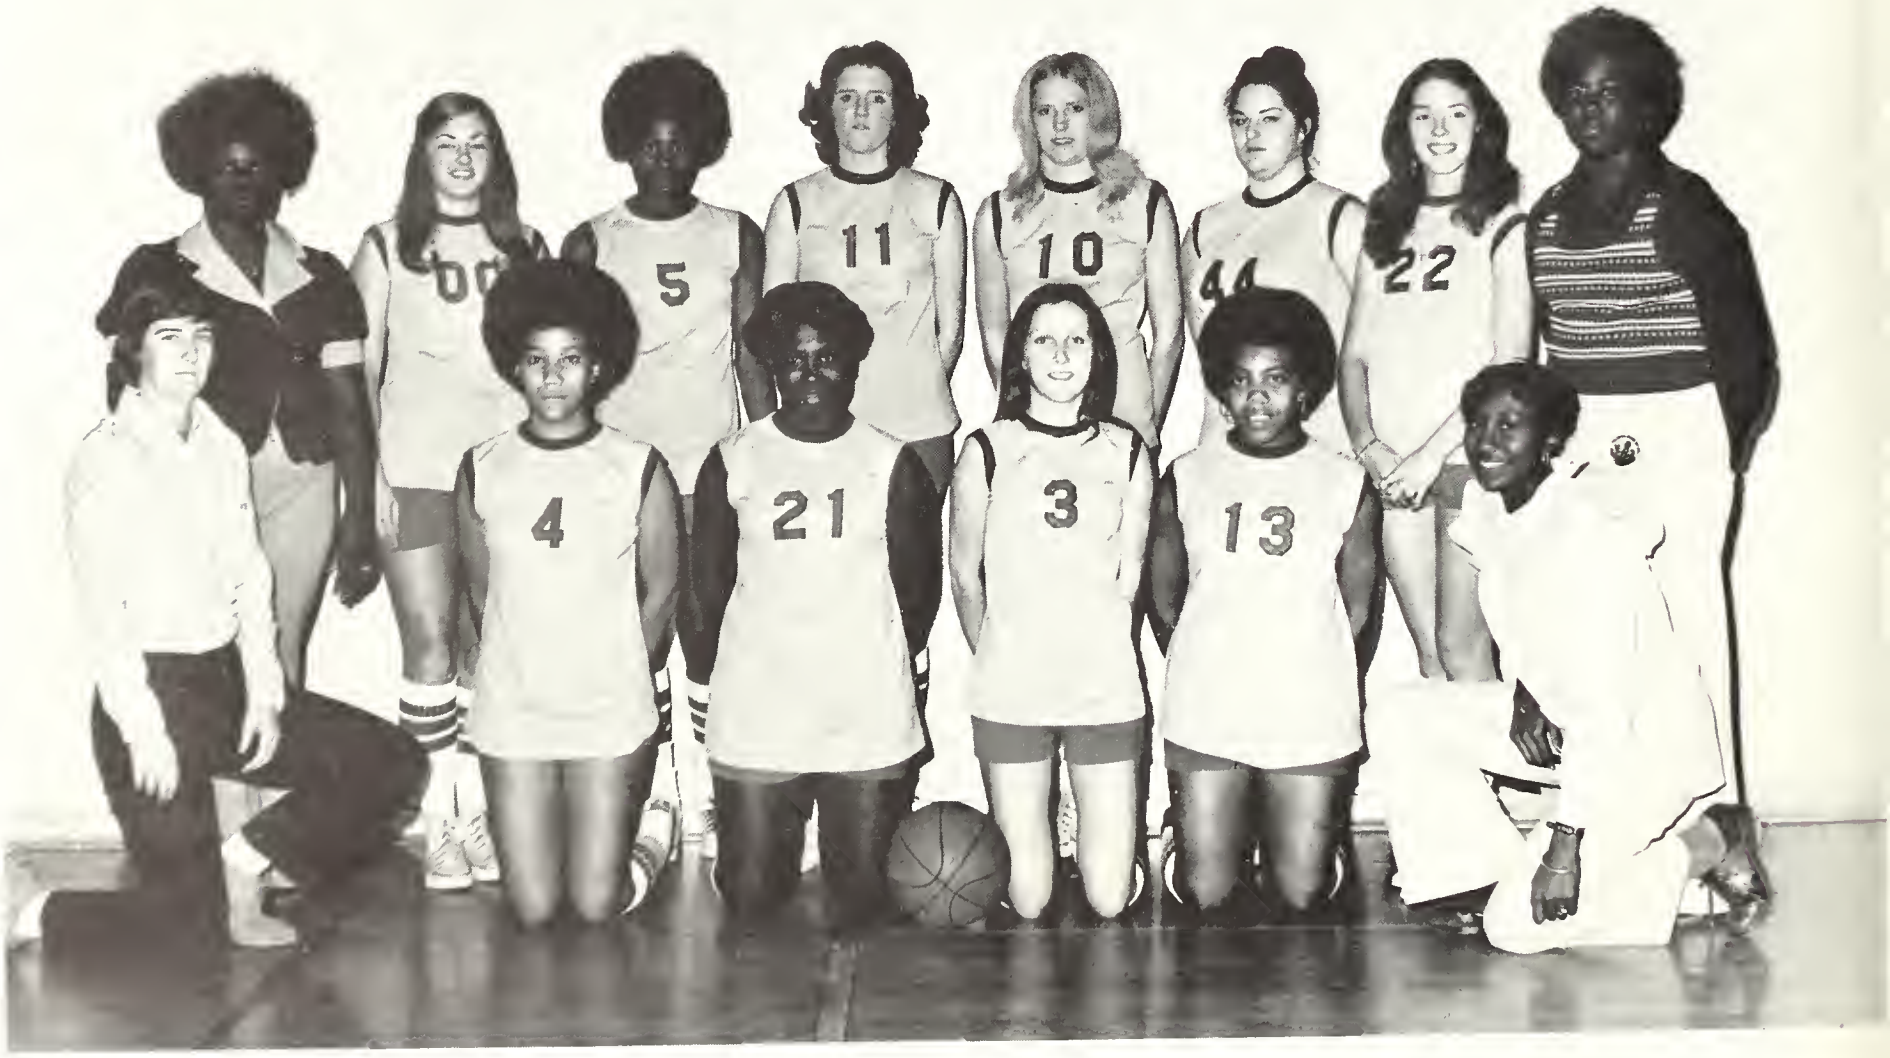
Members of the basketball squad are *(l. to r.)* Paul Jordon, Albert Beard, Jack Gadd, Bond Christie, Robert Presley, Kenny Mullins, Lee Payton, Larry Powell, Charles Robinson, Charles Isom, Tommy Rodgers, Billy Johnson, David Baldwin, and *(kneeling)* Coach Noal Akins and Kenny Pratt, manager.

Pictured below are managers Kenny Pratt and Eddie Lee Stevison.

Girls Enter JC Competition

Members of the girls' basketball team are *(below, standing, left to right)* Lauretta Oliver, Pam Ferguson, Verdene Suggs, Liesha Ashe, Reda Stone, Renee Sanders, Iris Deaton, Kathryn Hayes; *(kneeling)* Coach Carolyn Palmer, Dorothy Sanders, Barbara Hayes, Louise Ormon, Dorothy Tucker, and Ernestine Allen.



After a lapse of several years without a girls' varsity basketball team, Northwest rejoined junior college competition with a nine-game schedule. With competitive play and hustling teamwork, the Rangerettes entered the state tournament with a 3-6 record. The close-played games that could have gone either way were not important. What was important was the overall success of the program. The Rangerettes had exceeded all expectations.

Members of the 1973 baseball team are *(opposite page, bottom, seated)* Paul Williams, David Williams, Tommy Rodgers, Coach Tryce Barber, Walter Denton, Paul Twilley, and mgr. Bubba Colston; *(back row)* Ricky Suratt, Mike Norwood, Willie Dunn, Danny Gaines, Jim Jackson, Earl McMinn, Steve Hale, Roger Redding, Gary Oakley, Larry Walker, and Richard King.

Baseball '73

For the second year in a row, Northwest won the North Division baseball title and then met the South Division winner, Gulf Coast Junior College — state champions for the last eight years. The Rangers came within four unearned runs of winning the state title as we lost the championship game by the score of 4-2. Good overall play sparked the 16-member Northwest team which contained 10 freshmen and one All-Region Honorable Mention. The Rangers finished the 1973 season with a strong 9-1 record.

Track '73

Though the track was under water for most of the Northwest track season in March and April, the Rangers sloshed to a fifth place tie in the 1973 state meet and produced several individual state leaders. Northwest sophomore Robert Gordon of Hernando won first place in the discus throw for the second year, and freshman Johnny Tullos of Marks was state champion in the mile run.

C-H-E-E-R-L-E-A-D-E-R-S Vicki, Jan, Sheila, Teresa, Cindy, Nancie, Susan, Zandra, Connie, and Cindy were chosen to lead the cheers for the North Division in the Mississippi Junior College All-Star Classic at Tupelo.

ROCKETEER 1974 Honors 'Mr. Mac'

To Reese D. McLendon, whose hand has guided Northwest Mississippi Junior College the last 21 years during a period of phenomenal growth, this yearbook is respectfully dedicated.

With foresight and dedication, 'Mr. Mac' undertook the leadership of Northwest in 1953 as the third president of a school with an enrollment of 221 and a physical plant worth $750,000. On June 30, 1974, he will relinquish the reins of leadership of one of the major educational institutions of the Mid-South. Today, more than 2,300 individuals are enrolled, on and off campus, in programs directed by Northwest Junior College which now has a physical plant worth more than $10 million.

'Mr. Mac's' personal credo, "Nothing but the best for Northwest," the foundation upon which the college has grown, is reflected in the remarkable growth of the last two decades. The principles suggested by the phrase have been applied to every aspect of the academic community — the student body, faculty and staff, as well as the buildings. From 1953 to 1974, 'the best for Northwest' also described the leadership provided by the man who coined the phrase.

Reese D. McLendon dedicated himself completely to his job as President of Northwest Junior College. And in this respect, he became an example for everyone. In order for a college to experience such rapid growth, vision with a timetable was required, and so were long hours and hard work. And 'Mr. Mac' supplied whatever ingredient of leadership the task demanded.

On behalf of the faculty, the staff, the residents of Northwest's district, and the thousands of students who will, for many years to come, be the benefactors of 'Mr. Mac's' unselfish service to Northwest Mississippi Junior College — for all of us — we dedicate this yearbook to 'Mr. Mac.' And, in so doing, we wish for the McLendons that which 'Mr. Mac' has given us — NOTHING BUT THE BEST.

Lucy
It has really
been nice knowing
you this semester. You
are really sweet & maybe
a little too emotional for your
own good but that is what makes
you — you & why we all like you so
much. I wish you lots of luck in the
future & hope everything turns out well.
Love,
Pamela
